About Nelson

Nelson Lopez, a partner in NELMAR Business Solutions, Inc. (dba Infinite Enterprises), has been specializing in researching and drafting immigration business plans for over fourteen years. Over the years, he has been part of and assisted hundreds of entrepreneurs, companies, and immigration law firms obtain the needed legal status for their clients or themselves by providing supportive and customized business plans that compliment and back-up the filed petitions. He has written over 700+ immigration plans for attorneys and clients across the U.S. and around the world (with almost half being EB5s) in such countries as: Africa, Argentina, Australia, Brazil, Canada, China, Dubai, Germany, Great Britain, Hong Kong, India, Israel, Japan, Mexico, Philippines, South Korea, Spain, Switzerland, Taiwan, Thailand, Turkey, and Venezuela.

Some of Nelson's most recent accomplishments include the expansion of his services into the Hispanic market; where due to his bilingual abilities, new clients throughout Central and South America, as well as Spain have been gained. Because of his language skills, Mr. Lopez has been working exclusively with a number of Florida and New York based immigration attorneys and firms needing a successful company to easily interact and communicate with their Spanish-speaking clients.

Over the years, though a small percentage, Nelson has been involved in writing regular non-immigration type business plans for investors who have been referred to him by satisfied and content clients who want to make sure that their colleagues and professional contacts receive the same attention.

Prior to starting his own company, Nelson spent three years as an immigration paralegal with the Global Law Group, formerly known as the Law Offices of Linda Lau.

Nelson's foundational business development skills come from more than 13 years in the retail and customer service industry. During this time, he held various management positions, including Group Sales Manager and Store Manager with such companies as Federated Department Stores, Inc. and Petco Pet Food and Supplies. Through his time in these industries and positions, he learned how to increase overall business productivity and efficiency while decreasing overall shortages. He designed goals that helped increase business profits while maintaining a well-prepared staff. Over these 13 years, he gained a strong foundation in customer service and management skills that came about through planning, increased customer care, and attention to detail.

About Marie-Rose

Marie-Rose Karamanian, a founding member of NELMAR Business Solutions, DBA Infinite Enterprises, has been conducting research, gathering supportive data in the creation of business plans for immigration purposes since 2004. She focuses on the marketing and advertising aspects of the plan along with the design elements and its presentation. Working closely with her partner, as well as clients, she has contributed to the growth and advancement of the organization.

She has dealt with businesses in such industries as international importing and exporting, manufacturing, health care providers, distributors, film production and distribution companies, oil tanker transportation, retailing, wholesaling, experimental medical technologies, and various other industries.

Her strengths lie in her ability to understand various industries and business models, ask detailed questions and write plans that truly reflect each investor's company and fully support each applicant's petition.

She has developed her unique set of skills through experiences gained at in-house marketing divisions of such corporations as IBM, Aetna Life Insurance Company, later purchased by Lincoln Life, Viking Office Products, a division of Office Depot and Mission Renaissance, Fine Arts.

As a Marketing Coordinator at IBM she managed the marketing and advertising efforts of 3 different products at IBM's San Jose Campus. Marie-Rose's works included collateral creation, creative work such as copywriting, business to business sales channel planning and establishment, trade show and seminar bookings and presentation as well as development of sales tools. The team of individuals she managed at IBM included 3 subordinates.

Her experiences at Aetna/Lincoln Life, revolved around purchasing mailing lists, preparing collateral and sales materials, media placements, organizing events for potential clients, venue selection and booking, sales team preparation, including writing sales pitches and creating follow up documentation.

The creative division of Viking Office products is where she honed her layout and design skills along with copy creation and editing. Her familiarity of various languages afforded her a position on the international catalogue design and creation team.

Mission Renaissance, a regional art school for children and adults with over 20 locations in Los Angeles and Orange counties, is where she continued to expand her media purchasing, creative directing and market research skills. She worked with every location, understanding the target market demographics they served, and tailored marketing efforts to yield the best sales results for each studio.
